In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Harry Potter is dangerous? The beloved book series by author J.K. Rowling about a young wizard and his friends has been taken off library shelves at St. Edward Catholic School in Nashville because the school's pastor believes the books' magical spells are real. According to Independent, the pastor named Reverend Dan Reehill elucidated his decision in an email to the parents of students ...
