In my opinion, this is by far the funniest and most brilliant cartoon collection out there. This 2 book set contains all the Far Side cartoons that Gary Larson created, and there are some real gems in here. (I also have all the earlier Far Side books as well. I've been a huge fan from the beginning.) Exceptionally funny and intelligent.

### Cartoons - Beyond the far side

"Cow Tools" is a cartoon from Gary Larson's The Far Side, published in October of 1982. It depicts a cow standing in front of a table of bizarre, misshapen implements with the caption "Cow tools." The cartoon confused many readers, who wrote or phoned in seeking an explanation of the joke. In response to the controversy, Larson issued a press release clarifying that the thrust of the cartoon ...
