Hi, if you can get me a picture of the part, but i did find some info that it seems to be a part of the automated document feeder on top of the printer, so THIS might help a little. It a page which described solving a paper pick issue, which includes cleaning the feeder and taking it apart and putting it back

together, even includes a video so it might be of use.

The HP Officejet Pro L7680 prints faster, scans better and is much more user friendly. The purchase price was much lower than all the sites I checked and it even included free shipping. The only down side I have encountered is there is a software conflict with my Wordperfect program. All in all this is a great unit! 3 people found this helpful
