The Mad Scientist's Guide to World Domination: Original ...

With The Mad Scientist's Guide to World Domination, acclaimed anthologist John Joseph Adams has put together a (mostly) excellent set of 22 stories about the world of mad science and the people who practice it without fear of consequences, frequently in the name of, well, world domination. Mad scientists pop up fairly frequently in comic books, movies, and television shows, but they don't seem to be explored as much in fiction.
