Slave Ship English Edition

The cover of my edition of Marcus Rediker's The Slave Ship features a quote from the Sunday Telegraph describing it as "A truly magnificent book." Such is my prejudice that I imagine Telegraph readers coming to Rediker's work not to be educated about the shaping of race and class in the Western hemisphere by the Atlantic slave trade but to bask in reminiscences about the source of their ...

The Slave Ship: A Human History by Marcus Rediker

Slave Ship is a 1956 short science fiction novel by American writer Frederik Pohl, originally serialized in Galaxy. The scene is a world in the throes of a low-intensity global war, which appears to be an amplified representation of the Vietnam War, in which the U.S. was just beginning to be involved. The plot involves telepathy, speaking to animals, and, in the last few pages, an invasion by ...
