Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The Dictator's Handbook - Wikipedia

The Dictator's Handbook: Why Bad Behavior Is Almost Always Good Politics by Bruce Bueno de Mesquita and Alastair Smith (2012) is a book about the real-world rules of politics. Pundits often explain politics through storytelling; poor political decision-making and misguided leaders are treated as one-off aberrations.

The Dictator's Handbook (2011) provides a different and revolutionary approach to political analysis by skirting fuzzy appeals to higher ideals and national interests and looking straight at what really matters: politicians' and leaders' self-interest.

The Dictator's Handbook Summary & Review | The Power Moves

The Dictator's Handbook was an incredibly pragmatic book based on the principle that leaders do what is necessary to seize and maintain power, which relies on the size of their coalition. I highly recommend it to those looking to make a difference.
