Car Trouble A Childhood On

Car sickness is a type of motion sickness. Motion sickness occurs when the brain receives conflicting information from the inner ears, eyes, and nerves in the joints and muscles. Imagine a young child sitting low in the back seat of a car without being able to see out the window — or an older child reading a book in the car.

"The American really loves nothing but his automobile: not his wife his child nor his country nor even his bank-account first (in fact he doesn't really love that bank-account nearly as much as foreigners like to think because he will spend almost any or all of it for almost anything provided it is valueless enough) but his motor-car.

Cars Quotes (227 quotes)

Car sales without a warranty are almost always described as "as-is" sales, which means that a car owner buys the car "as it is" on the lot in its current condition. These sales come with no warranty, and if you've signed the papers on an as-is car, it's yours — regardless of what happens next.
