### Down Detour Road An Architect

Down Detour road is an amazing and exact book for Architect who still care about the profession of architecture. Not only is this book a well written tent revival for today's practicing architect, it outlines solutions for a better way. However, I'm afraid that most architects are to jaded and entrenched to be healed by this book.

### Down Detour Road: An Architect in Search of Practice (The ...

Down Detour Road is his journey: one that begins off-course, and ends in a hopeful new vision of architecture. Like many architects of his generation, Cesal confronts a cold reality. Architects may assure each other of their own importance, but society has come to view architecture as a luxury it can do without.

### Down Detour Road: An Architect in Search of Practice by ...

Down Detour Road is an essential roadmap to the present architectural scene and the challenges that it faces. With a tragicomic eye,Eric Cesal exposes the hubris that has led so much architectural education and practice into an impotent cul-de-sac, and succinctly presents a pragmatic and hopeful way out.
