EY is legally structured as a network of independent national firms that pay to use the common brand and systems, and employs about 312,000 staff across more than 150 countries.

Big four consultancy firm EY considers spinning off audit arm

The lower dilution is primarily due to fewer redemptions. The higher returns are presumably a function of value these sponsors created by promising to remain engaged in the post-merger company, or perhaps their ability to drive a harder bargain with targets. Figure 2 visually depicts returns for high quality and non-high-quality sponsors, and Table 3 presents additional details. Figure 2: SPAC ...

A Sober Look at SPACs

Reference checks are an imperative part of the recruitment process, says Manisha Maligaspe, Oceania Transaction Advisory Services Recruitment Lead for EY. "Genuine reference checking is about whether the candidate actually worked at the place they said they did and carried out the tasks they said they were doing," she says. "Essentially ...
