Children are fascinated by colorful or interesting pictures.

Nothing quite gets their brains going like a picture book or similar.

A story with pictures is vastly important

because it acts as an easy way to get your child into reading. A

page of text might not seem exciting, but a

page with words and fun images makes a

kid want to know more.

Many parents believe that funny stories are filled with silly pictures and characters, but this is far from the truth. A lot of research goes into putting together a book for a child. As an adult, we might not notice the learning element in these funny stories, but children often connect well with the images, characters, and anecdotes.
