Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

You'll be the ...

## **How to Use Shopping-Related American Sign Language in 2020 ...**

I was very excited to get this book as I am familiar with Gallaudet University and felt like they would only put out exceptional material. While there are many signs in the book and the book itself is of excellent quality, I gave it 4 stars because I find the pictures and explanations of the sign language signs more difficult to follow than other sign language books I have.
