Alister McGrath acted like a Christian fundamentalist when he responded to the book of Richard Dawkins with an attack on his personality in the form of a book "The Dawkins Delusion". Richard Dawkins has every right to look at me as a believer in God and say that the idea of God is a delusion, since it is all in the mind and in the heart, etc. But does that give me the right to attack his person and publish a book about it attacking his mental powers by calling my book "The Dawkins Delusion"?

...

Dawkins, who is presently professor of the public understanding of science at Oxford University, holds that the natural sciences, and especially evolutionary biology, represent an intellectual superhighway to atheism—as they did for him in his youth.

## **The Dawkins Delusion? Atheist Fundamentalism and the**

...

The McGraths expeditiously plow into the flank of Dawkins's fundamentalist atheism, made famous in The God Delusion, and run him from the battlefield. The book works partly because they are so much more gracious to Dawkins than Dawkins is to believers: Dawkins's The Blind Watchmaker remains the finest critique of William Paley's naturalistic arguments for deism available, for example.
