Conventional wisdom holds that bipartisan legislation is the best form of law. The "Farm Workforce Modernization Act of 2019" is a notable exception.. With 49 Republican and Democrat co-sponsors, HR 5038 sailed through the House Judiciary Committee last week. Because the bill was allowed to advance on a voice vote, there's no official record of who voted which way.

Ah yes, they're at it again. Venezuela isn't real socialism. North Korea isn't real socialism. Cuba isn't real socialism. In fact anywhere that's tried socialism wasn't an example of real socialism, and its results cannot be held as evidence against socialism. Those shortages, that inflation, that impoverishment - none of it counts against socialism, not even the riots, the ...

But first, I must urge readers to take Wagner and other NAR/word-faith wolves seriously. Moreover, it is imperative that Bible believers fully understand the inner workings of the NAR in order to, "recognize them by their [rotten] fruit." Listen to the words of Charles Spurgeon: If you wish to know God, you must know His Word.

We are talking about small, local farmers. Most have a dozen or so fruit trees, and just don't grow enough fruit to be able to resell to the "big boys". On the other hand, they grow way more fruit than they can pick and eat themselves, so sadly, most of it just falls to the ground and rots. Enter The Rotten Fruit Box....

### **The Rotten Fruit Box Story**

The production, harvest, sorting and packing of fruits and vegetables produces close to a billion pounds of produce annually, according to the annual agricultural report for Georgia. These processes also result in material that is rotten, has bad spots not noticed in the field, or that is removed from packing lines and not shipped to the consumer.
