Trading in the Zone is not to be read and placed on the shelf with the rest of the "trading" books. You'll find like many traders that its place is on your desk as a companion. And it's not just about trading. Trading in the Zone will also help you approach your daily life in a more positive and insightful manner.

Trading in the zone is not only in my top 10 trading books but probably number 1! Still can't believe that Mark Douglas died in 2015. This was my the second time I was going through this book and still found a lot of value in it. It is hard to implement the professionals trader mindset. Even if you understand it intellectually there is a long ...
